Please don't put waste in other trash cans on site.

**Requirements for consideration for working dog/handler team spot on Sat or Sun:**

- Handlers must attend both days of this workshop.
- Mild reactivity towards other dogs is acceptable, however it is not appropriate for the dogs with reactivity toward people – the presence of many observers would likely be overly stressful. Working dogs should be comfortable being watched by a group of people.
- Dogs must be able to stay quietly in their vehicles out of sight from their handlers.
- Dogs must have passed the Birch ORT.
- Handler will pay an additional \$85 for their working spot in addition to the regular 2-day attendance fees. This fee must be paid within 7 days of notification of your selection for a working spot. Please don't send payment until you are notified that you were selected for a working team.

There will be 8 Working Teams selected for the Art of Teamwork seminar each day. These teams will work with Christina all day on their scheduled "working" day. Christina will be helping each team develop and improve their teamwork.
